

BRAIN CHASE

Date of the event	11-05-2018
Title of the Event	BRAIN CHASE
Organized by (Dept Name)	Information Science and Engineering
Name of department event coordinators	Mrs. Sanchari Saha, HOD, Dept of ISE Ms. Priya K, AP, Dept of ISE

Department of Information Science & Engineering conducted a one-day Department Club event “**Brain Chase**” on 11-05-2018 in Seminar Hall 4. The Students of ISE, (MVJCE) participated in the event.

First Round: Tech Quiz

It was a technical Quiz consisting of MCQ’s that include topics such as General Aptitude, Logical Reasoning, Programming Snippets, etc. Twenty MCQ’s in the above listed topics were solved in 20 minutes. This round is open for all individuals provided they form a group of 2.

Second round: Blind Coding

Blind Coding: The teams, who qualify the first round, will be eligible for this coding round. The teams will be given a set of 5 programs out of which they can choose to solve any three within the given time frame. The rules are as follows,

- The teams initially need to write the code while the monitor is switched OFF.
- Once the team is confident about their code, they can run it on any compiler. Each team gets two chances to rectify their code and provide the desired output.
- If they fail to provide the result within the number of chances, points will be awarded on basis of criteria such as number of errors.

Third Round: Mystery Room

The teams, who qualify the second round, take part in this round. The teams will have to design a virtual mystery room using any programming language, where they need to hide the 6

inventories as directed. The designs of the teams will be swapped based on the leader board. The teams need to modify the opponent's code to find out the hidden inventories.

Finally, the developed Code created by teams was judged by ISE faculties and the best two teams were selected. The winners were students from ISE department Shreya Singal, Sanjana Rane (8th semester) and runners were Prashanth, Prasanna (2nd semester). The winners, runners & participants were felicitated with cash prize and certificates

Faculty coordinators:

1. Sanchari Saha, HOD, ISE
2. Priya K, AP, ISE

Students Coordinators:

1. Denzil Thomas P (6th sem)
2. Varun Vishwanath (6th sem)
3. Suraj Singh (6th sem)
4. Ajit (6th sem)

The entire event was coordinated and scheduled at appropriate timings by event co-coordinator Priya K, Assistant Professor, ISE and student coordinators (Denzil Thomas P, Suraj Singh, Ajit , Varun Vishwanath 6th Sem ISE).

Outcome of the event:

The Students were able to indulge themselves in the coding contest to check their problem solving and coding skill depths, which gives the measure of their technical competence. The Event comprised of 120 Students for the round 1, and 12 Teams qualified for the second round, consisted of 24 Students. Priya K, Latha SS (Faculty), Varun, Denzil, Ajit (Students) Coordinated the Event. Shreya Singal and Sanjana from 8th Sem secured the first prize, Ajay and Swapna from 6th Sem secured the first Runner Up Prize in the Event.

All ISE Department Faculty Members and Students participate in the Inauguration of the Department Eikon Club Event “Brain Chase” on 11th May, 2018

Department Eikon Club Event “BRAIN CHASE”: Students Participate in First Round TechQuiz on 11th May, 2018.

Department Eikon Club Event “BRAIN CHASE”: Mrs. Sanchari Saha, HOD, Dept of ISE Distributing Winner and Runner Certificate on 11th May, 2018
