

Open house Event: On 9th of September 2022, MVJCE Toastmasters club had a segment discussing career growth and the importance of leadership hosted by **Shashwat Seth**. The target audience were the first-year students at MVJ College of Engineering.

Shashwat spoke about his experiences in the corporate world and how his journey taught him the importance of effective communication. Followed by a talk by the President **Rachana Kulkarni** and the Vice President of Education, **Ishaan** about what Toastmasters club brings to the table. One of the more prominent segments was the interactive table topic segment where volunteers from the audience were presented with a random topic to talk about for two minutes each.

For example, “how did you meet your best friend?” Or “what’s something you think is extremely overrated?”. With outstanding responses from the audience, toastmasters concluded its part in the Induction program.
