NIC EVENT – Pseudo Programming Nerds

Date – 11.03.2023

Time – 9:20 am to 12:40 pm

Organizing Department – Computer Science & Engineering

Venue – CSE Dept, MVJ College of Engineering

Report - NIC CLUB ACTIVITY- 'Pseudo Programming Nerds', organized by Department of CSE:

The NIC Club of MVJCE was proud to host this event for all the students. The event 'Pseudo Programming Nerds' is an event consisting of 2 rounds which was played as a group in both 1st and 2nd rounds where a team of a minimum 2 members and maximum 4 members was to be formed. Both the rounds of the event were conducted on 11 March 2023 in the Auditorium and labs of Computer Science and Engineering Department. It started at 9:20 am and ended at 2:30 pm. Mr. Supreeth BS, judged the event which was coordinated by Event Coordinator Mr. Vinay Raj sir. Around 309 students from all the Department participated in the event.

Round 1 (Qualifying Round):

In this round, teams were given an encrypted message that contained the password to a file containing the problem statement. Each team had to decrypt the password and solve the problem statement to qualify to the second round.

All the students participating were enthusiastic about completing Round 1 in the stipulated time. This round tested the problem solving and critical thinking skills of the participants. The event co-ordinators and the student co-ordinators started the event exactly at 9:20 am and the time duration for Round 1 was only 45 minutes. Round 1 was completed at around 10:05 am, with the results being announced. 3 teams qualified to the second round.

Round 2 (Final round):

In this final round, teams were divided into two groups. One team had to write the pseudo code for a given problem statement within a given time limit and the other team had to code the solution based on the pseudo code. The first two teams to submit the code won first place and second place, respectively.
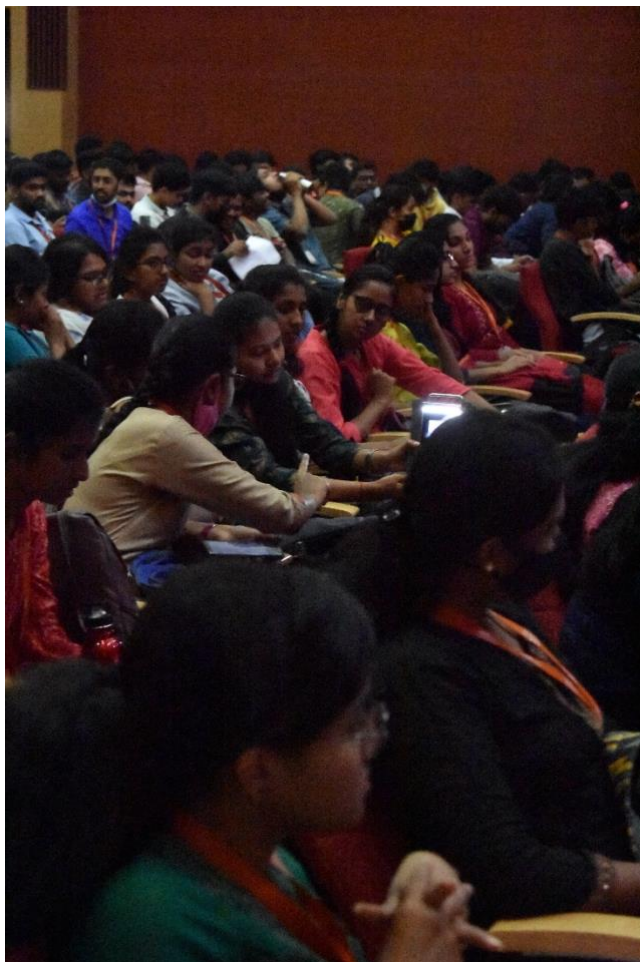

Winners:

Deepak Jain and team

RUNNERS:

Siddharth Sreejil and team
